

# LIQUID SUNSHINE™ ORGANIC FERTILIZER

**INCREASE YIELD**

**N - P - K**  
**3 - 0.3 - 4**

## IMPROVE PERFORMANCE MAXIMIZE BUDDING

Liquid Sunshine Organic Fertilizer is a proprietary blend of tithonia and organic, plant-based ingredients that will help you grow more fruits, flowers, and vegetables in your garden. A premium organic fertilizer that maximizes budding and can increase fruiting size. It can be used for high-value crops, fruit trees and ornamental plants.

- **100% SLOW RELEASE WILL NOT BURN PLANTS**
- **USE ON BOTH OUTDOOR AND HOUSE PLANTS**
- **APPLY EVERY 1-2 WEEKS ONCE BUDS BEGIN TO APPEAR**
- **APPLY DURING GROWTH STATE TO STIMULATE EARLY FLOWERING**
- **NO CLOGGING: USE WITH PUMP SPRAYERS AND DRIP IRRIGATION**

Liquid Sunshine Organic Fertilizer can be applied as a foliar spray or to the base of plant roots. Bring your soil to life with Liquid Sunshine by feeding major plant nutrients & beneficial microbes which will continue to break down organic matter and cycle nutrients to your plants. Safe to use around children and pets.

**MAKES 125 LITRES**  
**APPLY 2 TABLESPOONS PER GALLON OF WATER**
